

ULULATE Gallery...

is a gathering place for VOICES. Every form of expression is invited.

Every VOICE is shared with the community free of charge.

Sometimes the hat will be passed.

Sometimes we will create something together with nothing to take home but meaning.

We are interested in the development of the artist, the participant and the community.

We are interested in bringing art and expression to Skagit that grows Skagit.

We are interested in expression that respects community and tells the stories of community.

We need VOICES who value idea and meaning.

We don't sell your work. We don't charge commissions.

We don't ask you to pay before you have a voice here.

ART IS THE VOICE OF DEVELOPMENT

We believe that every person in every community can create it.

We believe it is not rare.

We believe that we can't afford to be without it.

We believe we all need to see it and hear it and feel it so that we remember to do it.

SMALL

We are not interested in big. We are not interested in pecking order.

We are interested in ideas that can fit in a room seating no more than 25 humans.

We believe that often... the smallest human ideas are the most important.

THIS IS NOT A WAITING ROOM... THIS IS A DOING ROOM.

YOU are an artist, musician, or a person with ideas looking for a place.
